Woerth, Capt. Duane, A View from Rome, June; Assessing International Aviation, Aug.

SUBJECTS

Accident investigation: My First Time Out, Feb./Mar.;'Probable Cause': Help or Red Herring? June; NTSB: Friend or Foe? Dec.

Accidents/Incidents: Holes in the Safety Net (USAir/SkyWest), Feb./Mar.; The Windscreen Moved Away Slowly from its Frame. . . , Apr.; No Brakes, No Reversers! May; Identifying Links in an Error Chain, Nov.

Accident survival: Passing the Torch, Aug.

Aircraft: Regional Airline Aircraft, July; Equation for Overrun, Revisited, Aug.; Clean Wings for Winter, Sept./Oct.; ATC and the Icing Dilemma, Sept./Oct.; Aircraft Deicing, Sept./Oct.; [Deicing] A Fluid Situation, Sept./Oct.

Airports: Greater Pitt's "New" Airport, Jan.; Visual Approaches, May; The Perfect Runway, May; The Circling Approach, July; Equation for Overrun, Revisited, Aug.; Heads-Up for Airport Signs, Sept./Oct.; See & Be Seen, Dec.

Air safety: Turboprop Tailplane Icing, Jan.; Why Icing Causes Tailplane Stalls, Jan.; Holes in the Safety Net, Feb./Mar.; How Fares TCAS? Part I, Apr.; Part II—TCAS for Turboprops, May; One Level of Safety, May; Visual Approaches, May; No Brakes, No Reversers! May; Communication Is More Than Words, May; FAA's Airline Inspection Efforts Still Hobbled, June; The Circling Approach, July; Pointing a Finger at Altitude Deviations, Aug.; TCAS Warning Averts Disaster, Aug.; Equation for Overrun, Revisited, Aug.; ALPA Hosts Air Safety Forum, Sept./Oct.; Heads-Up for Airport Signs, Sept./Oct.; Clean Wings for Winter, Sept./Oct.; ATC and the Icing Dilemma, Sept./Oct.; Aircraft Deicing, Sept./Oct.; A Fluid Situation, Sept./Oct.; Street Smart, Nov.

Air safety awards: Role Model for Safety [Capt. Dave Fitzgerald (United)], Aug.; ALPA Hosts Air Safety Forum, Sept./Oct.; Northwest Crew Receives 1991 Daedalian Award, Nov.

Air traffic control: Datalink: Pilots Are Key to Success, Jan.; Weather Deviations: Between a Rock and a Hard Place, Feb./Mar.; ATC and the Icing Dilemma, Sept./Oct.; FAA Reclassifies U.S. Airspace, Dec.

Alcohol: Commentary: The Responsible Airline Pilot and Alcohol, Feb./Mar.; Caught Unaware—A Pilot's Worst Nightmare Come True, May; Every Man's Friend, Nov.

ALPA: Executive Committee Actions, Feb./Mar.; Executive Board Springs Forward, July; ALPA Hosts Air Safety Forum, Sept./Oct.; ALPA in Evolution, Dec.

Aviation history: In *The Spirit,* May; Pan American: The Chosen Instrument, June; The Last Clipper, June; Nostalgia Is Not What It Was! Nov.

Aviation industry: A Corporate Emergency, Feb./Mar.; A Vision for Commercial Air Transport, Apr.

Avionics: Focus on Digital Flight Data Recorders, Sept./Oct.; Global Positioning: Help from Above, Dec.; Enhanced Vision Systems: Toward the Autonomous Airplane, Dec.

Cabotage: AFL-CIO Supports Pilots' Effort to Ban Cabotage, Jan.; Assessing International Aviation, Aug.

Deregulation: In the Public's Opinion . . ., Apr.

Flight security: Unheralded Doesn't Mean Unheeded, Feb./Mar.

Government: A Corporate Emergency, Feb./Mar.; A Collective Bargaining Analysis, June; FAA's Airline Inspection Efforts Still Hobbled, June; Seeking FAA Research Funding, July; Presidential Candidates on Aviation Issues, Sept./Oct.; A Work Benefit: Unemployment Compensation, Nov.; NTSB: Friend or Foe? Dec.

Health: The Only Pair of Eyes You'll Ever Have (or, How I Almost Lost One), July; The *Wrong* Stuff, Aug.; Health and High Performance: The Relationship, Nov.; Eating Habits Affect Flight Performance, Nov.; Cockpit Exercises, Nov.

Human factors: Identifying Links in an Error Chain, Nov.; Rethinking Crew Resource Management, Part I, Dec.

International aviation: The Challenge of Globalization, Jan.; A View from Rome, June; Assessing International Aviation, Aug.

Labor: What Is Happening to U.S. Workers? Jan.; AFL-CIO Supports Pilots' Effort to Ban Cabotage, Jan.; Union Membership Has Its Privileges, Apr.; Study Disproves High Labor Costs, Sept./Oct.

Lifestyle: A Commuter's Plight, Nov.; Nostalgia Is Not What It Was! Nov.

Negotiations: A Collective Bargaining Analysis, June.

Pilots: The Making of a Legacy, Jan.; The Payoff, Jan.; A Beacon for a New Career, Feb./Mar.; Pilot Lingo, Apr.; Caught Unaware—A Pilot's Worst Nightmare Come True, May; Life in the Reserve Lane, June; Flexible Flyer (S/O Bonny Warner), June; Computer-Enhanced Bidding, July; Working for a Living, Aug.; Airline Pilots: Managers or Professionals? Aug.; A Commuter's Plight, Nov.; Street Smart, Nov.; Every Man's Friend, Nov.; Nostalgia Is Not What It Was! Nov.

Politics: Going to a Political Party, Feb./Mar.; Playing a Part in Politics, May; ALPA Sets Political Platform, July; Presidential Candidates on Aviation Issues, Sept./Oct.

Regional airlines: Turboprop Tailplane Icing, Jan.; Why Icing Causes Tailplane Stalls, Jan.; How Fares TCAS? Part II—TCAS for Turboprops, May; One Level of Safety, May; Regional Airline Training Grows Up, June; Regional Airline Aircraft, July.

Research and development: Seeking FAA Research Funding, July; Focus on Digital Flight Data Recorders, Sept./Oct.

Retirement: R&I Benefits after Sale or Bankruptcy, Feb./Mar.

TCAS: How Fares TCAS? Part I, Apr.; Part II—TCAS for Turboprops, May; TCAS Warning Averts Disaster, Aug.

Training: The Payoff, Jan.; Personal Flight Simulation, Apr.; Regional Airline Training Grows Up, June.

Weather: Weather Deviations: Between a Rock and a Hard Place, Feb./Mar.; Microbursts: The Unsolved Danger, July.

DEPARTMENTS

AEROMED REPORT
Jan.: Q&A (Dr. Martin)

ARCHIVES
Feb./Mar.: (1938 letter to members from Capt. Behncke)
May: Fourteen who counted (Hurst)
Sept./Oct.: Establishing the rules (Banning)

CAREER THOUGHTS
July: Long-term money management (Pullen)

COMMENTARY
Apr.: (Guest) U.S. aviation system problems (Shea)
May: (Guest) How others see us (*Labor Relations Week*)
June: Democracy and ALPA business (Baldwin)
July: A second opinion on unions (Briggs)
Aug.: Buy the union label (Williams)
Sept./Oct.: Jumpseat etiquette (Dickey)
Nov.: Buying American isn't enough (Donaich)
Dec.: Chairman's report (Happ)

ECONOMIC FORECAST
Apr.: Will the aviation industry revive? (Johnson)

LEGALLY SPEAKING
Jan.: What is sexual harassment? (Nadeau)

MONEY MATTERS
Feb./Mar.: Pilot travel expenses and per diem — update (Koby)
Aug.: Go slowly when investing (Davis)
Dec.: A tax credit program (Arnold)

NEW TITLES
June: (Fager—9 books)
Nov.: (Fager—8 books)

PRESIDENT'S FORUM
Jan.: Deregulation rolls on
Feb./Mar.: Raising political awareness
Apr.: One level of safety
May: The IFALPA Forum
June: Harmony is vital
July: Status quo: the unseen gain
Aug.: Ninety-four days and counting (to the election)
Sept./Oct.: Taking a stand (presidential endorsement)
Nov.: A global pilot strategy
Dec.: Expectations
